Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Flex On-Demand Microtransit Vehicles in fiscal year 2025. The entity to receive funding for this project is the Montgomery County Department of Transportation, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used to purchase new zero emission microtransit vehicles to provide first/last mile transit connections in suburban Montgomery County. The project is an appropriate use of taxpayer funds because the project will improve regional access, reduce traffic, support regional economic development, and assist in achieving the County's long term transit growth and sustainability goals.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
