Dear Chairwoman DeLauro and Ranking Member Granger:

As you draft fiscal year 2022 appropriations legislation, I write to request consideration of the following Community Project Funding request submitted to my office:

Body-Worn Cameras, In-Car Cameras, for Carroll County Sheriff's Office

Amount Requested: \$1,429,003.00

Recipient: Carroll County Sheriff's Office

Recipient Address: 100 N. Court Street, Westminster, MD 21157

Purpose: This project would promote public safety and enhance transparency by supporting the purchase of body-worn cameras and in-car cameras to provide video of all law enforcement encounters with the public. This funding would equip every law enforcement deputy in the department with a body-worn camera and provide all patrol/community-related positions with an in-car camera.

Justification: This project would be a valuable use of taxpayer funds because it would promote transparency, accountability, and public safety.

I thank you for your full and fair consideration of these requests. I certify that neither I nor my immediate family has any financial interest in this project, and I have made this request publicly available on my website at the following address: <https://raskin.house.gov/appropriations-requests>.

Very truly yours,

Jamie Raskin
Member of Congress
