Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lead Service Line Replacement in Montgomery County in Fiscal Year 2027. The entity to receive funding for this project is the Washington Suburban Sanitary Commission (WSSC), located at 14501 Sweitzer Lane, Laurel, MD 20707. The funding will facilitate the replacement of hundreds of drinking water service lines that are identified as containing lead or Galvanized Requiring Replacement materials throughout Montgomery County, Maryland. This is an appropriate use of taxpayer funds because the project will support WSSC's compliance with federal water quality regulations and protect public health.

The project has a federal nexus because the funding provided is for purposes authorized by 40 CFR 35.3520(b)(2)(i).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
