Dear Chairwoman DeLauro and Ranking Member Granger:

As you draft fiscal year 2022 appropriations legislation, I write to request consideration of the following Community Project Funding request submitted to my office:

Frederick County, MD Mobile Career Center

Amount Requested: \$250,000

Recipient: Frederick County Government

Recipient Address: 12 East Church Street Frederick, MD 21701

Purpose: Frederick County will expand and extend the County's existing workforce services to those who are challenged with inadequate access to technology and/or transportation under this project. The Mobile Career Center will offer computers, internet access, and a regular presence in areas of the county that are not able to engage in virtual services or have transportation barriers. Working with community nonprofits, it will also enhance services that are offered to residents in more rural communities.

Justification: Unemployment and underemployment continue to be a challenge for many county residents. This project would be a valuable use of taxpayer funds because it will provide direct support to individuals seeking employment, including: re-employment assistance, career guidance, career planning, job training, and access to a variety of other resources and services that support successful employment.

I thank you for your full and fair consideration of these requests. I certify that neither I nor my immediate family has any financial interest in this project, and I have made this request publicly available on my website at the following address: <https://raskin.house.gov/appropriations-requests>.

Very truly yours,

Jamie Raskin
