Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Montgomery County Behavioral Health and Crisis Services Equipment Upgrades in Fiscal Year 2027. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used to purchase mobile diagnostic and crisis stabilization equipment. The project is an appropriate use of taxpayer funds because it will reduce emergency room utilization, lower criminal justice system costs and prevent expensive repeat crises. The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin  
Member of Congress
