Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for White Oak-US 29 Safety and Access Improvements in Fiscal Year 2027. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used for access, safety and traffic improvements to two intersections in the White Oak area along the US 29 corridor. The project is an appropriate use of taxpayer funds because these improvements will address critical safety needs, reduce delays, support a high-capacity transit corridor and unlock major economic development in a designated Opportunity Zone.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
