Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Stonestreet Corridor Complete Street Construction in Fiscal Year 2027. The entity to receive funding for this project is the City of Rockville, located at 111 Maryland Avenue, Rockville, Maryland 20850. The funding would be used to extend safe, convenient, and direct multimodal access to the Rockville WMATA, MARC, and Amtrak Station from the surrounding neighborhoods. The project is an appropriate use of taxpayer funds because these improvements will enhance transit mobility and stimulate local economic development in a corridor with a number of locally owned small businesses.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
