Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Montgomery County Lakeforest Transit Center in Fiscal Year 2027. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, 10th Floor, Rockville, MD 20850. The funding would be used to replace an undersized, inefficient and outdated facility to accommodate eight existing bus routes and new additional routes. The project is an appropriate use of taxpayer funds because these enhancements will serve new investments in the region, supporting long-term community vitality and regional economic competitiveness.

The project has a federal nexus because the funding provided is for purposes authorized chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
