Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Senior and Community Program Minibus in Fiscal Year 2027. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used to acquire an 18-passenger ADA-compliant vehicle to provide door-to-door transportation for seniors and Montgomery County residents with disabilities who wish to participate in Department of Recreation programming. The project is an appropriate use of taxpayer funds because it will save fuel and staffing costs while delivering program services to the growing senior population throughout Montgomery County.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
