Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Montgomery County Dental Clinic Expansion in Fiscal Year 2027. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used to expand Montgomery County's Germantown Dental Clinic's operatory and imaging areas, acquire modern radiographic equipment and acquire specialized transportation equipment that will allow staff to transport equipment and deliver services to children at community-based sites. The project is an appropriate use of taxpayer funds because it will improve clinical quality and decrease reliance on high-cost emergency systems. The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
