Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wastewater Collection System Rehabilitation in Fiscal Year 2026. The entity to receive funding for this project is the City of Rockville, located at 111 Maryland Ave, Rockville, MD, 20850. The funding will rehabilitate 54,196 linear feet of aging wastewater pipes in Southeast Rockville. This is an appropriate use of taxpayer funds because the project will prevent sewage backups that threaten public health and safety, damage private property, and pollute our waterways.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin  
Member of Congress
