Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Zero Emission Bus Procurement in fiscal year 2025. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used for purchasing new zero-emission buses to replace buses in the fleet that have reached the end of their useful life. The project is an appropriate use of taxpayer funds because the new buses will advance the County's Ride On Reimagined program, which currently serves one of the County's most densely populated communities.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
