Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Residential Accessibility Conversions in Fiscal Year 2027. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used to address critical deferred maintenance, energy efficiency improvements and ADA compliance in housing units serving individuals with disabilities and other vulnerable residents. The project is an appropriate use of taxpayer funds because it will ensure that individuals with disabilities, the elderly, and other vulnerable residents can continue to live safely and with dignity in their homes in Montgomery County.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin  
Member of Congress
