Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lead Service Line Inventory Investigation in Fiscal Year 2026. The entity to receive funding for this project is the City of Rockville, located at 111 Maryland Ave, Rockville MD, 20850. The funding would be used to identify 8,256 service lines comprised of currently unknown materials, posing a threat to Rockville's water safety and compliance with Safe Drinking Water Act. The project is an appropriate use of taxpayer funds because it ensures a comprehensive inventory completion, safeguarding public health and ensuring long-term water safety for Rockville residents.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin  
Member of Congress
