Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Forensic Laboratory Capabilities Enhancement in fiscal year 2025. The entity to receive funding for this project is the Montgomery County Police Department, located at 100 Edison Park Drive, Gaithersburg, MD 20878. The funding would be used to procure technology and updated equipment for the forensic laboratory in order to reduce the backlog of cases awaiting analysis and to decrease the overall time required for each examination. The project is an appropriate use of taxpayer funds because the information gathered by the acquired technology systems will provide information that can assist in the accurate and timely conviction of criminals and the exoneration of innocent citizens.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Member of Congress
