Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Low-Income Home Weatherization Project in fiscal year 2025. The entity to receive funding for this project is Montgomery County, located at 101 Monroe Street, Rockville, MD 20850. The funding would be used to remediate health and safety problems in low-income homes that are required before weatherization work can begin. The project is an appropriate use of taxpayer funds because it will reduce energy burdens for income-eligible homes, improve indoor air quality and prevent disrepair.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
