Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for The City of Rockville Water Main Rehabilitation in fiscal year 2024. The entity to receive funding for this project is the City of Rockville, located at 111 Maryland Avenue, Rockville, MD 20850.

The funding would be used for replacing 6,000 linear feet of pipe in the City of Rockville, focused on water mains within a Disadvantaged Community (DAC) and a U.S. Department of Housing and Urban Development (HUD) Opportunity Zone in Southeast Rockville. The project is an appropriate use of taxpayer funds because it would result in safe drinking water compliant with federal and state regulations and improved system reliability and safety. The project would replace old pipes of unknown origin and would allow for an updated inventory of material in compliance with EPA's Lead and Copper Rule Revision.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very truly yours,

Jamie Raskin
Member of Congress
